

October 15, 2014

Minutes

Attending: John Freeman, Kelly Strampe, Steve Thulin, Jake McIntyre, Jose Fierro, Will Clark, Brad Barker, Judy Hay, Miranda Miller, Joe McCann, Jim Rose, Dee Ludwig, David Gray, Joe Schaffer, Sherri Lovercheck, David Anton, Jason Wood, Patrice Noel, Jackie Freeze

1. **Minutes** from October 1 reviewed and approved
2. Update **Developmental Education meeting**—The team members who attended the developmental education session in Riverton on Oct. 3 reported on the day. 48 people from all of the community colleges and the University attended. Small groups met and talked about challenges and successes in math and English. Every institution has changed some aspect of their remedial English and math instruction. Success data on the CWC English was shared as was information about their efforts with K-12 (a Superintendent and Asst. Principal shared their perspectives of the efforts to data. Student support people met to visit about placement, tutoring and other support provided to students as we transition to new forms of development coursework and expectations. Those who attended thought the sharing was very helpful and suggested an annual meeting to share data and strategies. John Freeman suggested that they might want to meet each semester. Several faculty pointed out that the articulation meeting help in the discipline could serve as the second gathering.
3. Update **College and Career Readiness definition**—Several members of the subcommittee met on Oct. 4 to develop the draft definition for the team. It is out in draft form and will be revised and submitted to the team for the next meeting.
4. Update **Community College Trustees Summit**—Those who attended the Summit reported that it was a success day with plenty of time for people to interact and discussion success and completion strategies. The CCW presentation was well received. John suggested we consider a panel format in the future.

5. Update **Commission meeting**—There was a short CCW report at the Commission meeting but all Commissioners were at the Summit and heard the full update there. Concerns were expressed about the status of the Statewide Longitudinal Data System (SLDS) since it is an important part of providing consistent and timely data. The Colleges will move forward with their own segment and hope that it will mainstream into a future SLDS>
6. Update from the **Marketing Subcommittee**: the Committee reported on their planning meeting and shared the priorities for the marketing effort which includes our internal audiences and key decision-makers. Jackie will work with PR directors to get the first news blip done.
 - a. A Developmental Report will be created for JEIC meeting Oct. 25. Jackie will create a draft and share with everyone.
7. **Alliance Meeting**, Dec. 1-2, Miami. The list was finalized to include primarily a faculty group for this session. Jackie will work with CCA and submit appropriate names.
8. Scheduling a **visit with the Governor**. John stated that we really need to meet with the Governor to update him on what we have been doing but would suggest that we wait until after the elections.
9. **Duration of CCW effort**—The group had a brief discussion as a result of questions that were asked about the CCW effort. Jackie talked about the national expectation that this was a long-term commitment for the states but that we might consider revisiting it at the end of the completion goal cycle (2022). The group agreed to make this a future discussion topic.
10. **Context Metrics** discussion—The group started a discussion reducing the number of metrics in the context category. We will continue the discussion at the next meeting.
11. Other
 - a. Joe will update the list of success initiative

Next meeting: Oct. 29, 1 p.m.
